

Book Page Bunting Instructions

Materials Needed:

(Provided in the craft kit)

- Twine (alternative: yarn or string)
- Buttons
- Colored cardstock (alternative: construction or scrapbook paper)
- Some pages from an old book
- Leaf, pumpkin, and bunting printable templates

(Not provided in the craft kit)

- Scissors
- Glue (alternatives: tape or stapler)
- Pen or pencil

Directions:

1. Using the bunting template and book pages, trace and cut five bunting pieces.
2. Fold over the top of each book page to match the bunting template.
3. Using the pumpkin template, leaf template, and colored cardstock, trace and cut a shape for each piece of bunting.
4. Optional: to add depth, draw lines on the pumpkins and leaves.
5. Glue pumpkins and leaves to each piece of bunting.
6. Glue a button to the center of each pumpkin or leaf.
7. Decide how long you would like the bunting and cut a length of string.
8. Lay the bunting in a pattern of your choice and flip the pieces over.
9. Lay the string inside the folds of the bunting pieces.
10. Glue along the top edge of the bunting and fold over to seal in place.
You should be able to slide the bunting pieces freely along the string.

Allow glue to dry completely before hanging your bunting.
