

make IT AT home

Muffin Tin Snowman

Provided in the kits:

- Muffin tin
- Blue paint
- White paint
- Black paint
- Foam brush
- Round brush
- Winter ribbon
- 6 foam noses

You will also need:

- Glue
- Cup of water
- Paper to cover your workspace

Instructions:

1. Turn the muffin tin over.
2. Using the foam brush and blue paint, paint the base of the pan, avoiding the cup portions.
 - Allow to fully dry and apply a second coat for full coverage.
3. Using the foam brush and white paint, paint the cup portions of the pan.
 - The round brush may be used to paint crisper lines around the edge.
 - Allow to fully dry and apply a second coat for full coverage.
4. Using the handle end of the round brush and black paint, “dot” eyes and mouths for each snowman face.
5. Using glue, attach the foam noses.
6. Using the handle end of the round brush and white paint, “dot” snow all over the pan.
7. Allow all paint to dry completely.
8. Tie the winter ribbon through the hole to create a hanger.
