

make IT AT home

Salt Shaker Snowman

Provided in the kits:

2 salt shakers
2 strips of fleece
2 white pom poms (1.5 in.)
6 black gems
2 felt noses
Ribbon
White glitter

You will also need:

Glue – tacky or hot glue will work best
Scissors

1. Fill the bottom of each shaker with a little white glitter.
2. Glue a pom pom to the top opening of each shaker.
3. Using glue, black gems, and a felt nose, create a face for each snowman.
4. Using glue, top each snowman with a shaker lid to serve as a hat.
(Add a bow to the hat to make a snowwoman)
5. Tie a fabric strip around the neck to serve as a scarf. Trim as needed.

View the instructional video on our YouTube channel and Facebook page beginning Monday, January 11.
