Sticky Note Stand

Provided in the kits:

- 4 x 6 inch acrylic photo frame
- 4 x 6 inch scrapbook paper
- 3 x 3 inch sticky note pad
- 4 Glue Dots
- "Hello" clip art picture
- Colored string

You will also need:

- Glue
- Scissors
- Pencil

1. Lay the sticky note pad on top of the scrapbook paper, centering the note pad near the bottom of the paper.
2. Using a pencil, lightly trace the outline of the note pad. Set the note pad aside.
3. Using your scissors and glue, trim the provided clip art and glue it on the top half of the scrapbook paper.
 - You may use the clip art provided or another design of your choosing
4. Remove the protective film and sample picture from the photo frame.
5. Slide the 4 x 6 inch scrapbook paper inside the photo frame. Set the photo frame aside.
6. Lay the sticky note pad face down on the table.
7. Adhere the glue dots as directed:
 - Peel the *paper* backing from one glue dot.
 - Lay the dot on one corner of the note pad.
 - Firmly press the dot in place and peel off the plastic transfer paper.
 - Repeat for all four corners.
8. Using the pencil tracing as a template, adhere the notepad to the acrylic frame.

Optional: Use stickers, buttons, or ribbon to further decorate your frame.

Colored string has been provided for additional embellishment.
