

# make IT AT home

## *Cardinal Bookmark*

### **Provided in the kits:**

- Red felt
- Yellow felt
- Black felt
- Paperclips (2)
- Red sequins
- Gold sequins
- Small black beads

### **You will also need:**

- Pencil
- Tacky or hot glue
- Scissors

### **Instructions:**

\*The supplies provided in your take-home kit will make two bookmarks.

1. Cut out the bookmark pieces from the provided template
2. Using a pencil, trace the bird's body, wing, and tail onto the red felt.
3. Cut out the felt body, wing, and tail.
4. Using a pencil, trace the beak onto the yellow felt.
5. Cut out the felt beak.
6. Using a pencil, trace the "mask" of the bird onto black felt.
7. Cut out felt the mask.

To assemble the bird:

1. Glue the yellow beak to the tip of the bird's body.
2. Glue the black mask over the yellow beak.
3. Glue the wing in the center of the bird's body.
4. Turn the body over, and glue the tail to the back.
5. Keeping the body turned over, lay the paperclip near the "belly" of the bird, leaving  $\frac{3}{4}$  of the paperclip hanging out the bottom.
6. Using a scrap of felt, secure the paperclip in place with glue.
7. Allow to dry completely.
8. Turn the bird back over.
9. Glue a gold sequin for the eye.
10. Glue a black bead over the sequin as a pupil.
11. Glue red sequins along the wing and tail, if desired.
12. Allow to dry completely before use.
