Paper Rosette Ornament

Provided in the kits:

- Book pages
- Christmas clipart
- Twine
- Rectangle template (4 x 8.5 inches)

You will also need:

- Scissors
- Hot or tacky glue

Instructions:

1. Trace the rectangle template onto two book pages and cut out.
2. Accordion fold each rectangle, making sure to keep the folds even.
3. Glue one rectangle onto the end of the other.
4. Press together into a tight stack.
5. Trim a semi-circle around the open end of the pages to create a scalloped edge.
6. Fold the entire group in half to create a fan.
7. Tie twine in the center of the fan, making sure to keep the string ends even.
8. Place a dot of glue on the inner folds of the fan and spread out to create a rosette (circle).
9. Cut out the Christmas clipart and glue to the center of the rosette.
10. Tie a knot at the top to create a hanger.
